To
Shri Piyush Goyal,
Hon'ble Minister for Railways,
Government of India,
New Delhi.

Dear, Shri Piyush Goyal Ji, Vanakkam!

**Sub: Request - New Super Fast Trains - Daily - Between
Mumbai and Chennai - Reg.,**

**Ref: Letter submitted by Mumbai Tamilian Train Passengers
Welfare Association to the Hon'ble Minister for Railways.**

I wish to bring your kind attention regarding the request made by the **Mumbai Tamilian Train Passengers Welfare Association** requesting for new daily super fast trains connecting Chennai and Mumbai. In 2011-12 a proposal was sent to Railway Ministry urging for a Super fast Duranto Express with 18 hours 30 Minutes run. But till now, there are only 3 ordinary express trains run between Chennai and Mumbai. People have no option to travel by air, which is costlier and beyond the reach of most of the people.

Therefore I request the Hon'ble Minister to kindly consider the request of the **Mumbai Tamilian Train Passengers Welfare Association** and direct the concerned Railway Authorities to take all necessary steps to introduce a daily super fast train between Mumbai and Chennai.

Thanking you,

Yours Sincerely,

T. Sumathy

To

The Hon'ble Railway Minister,
Ministry of Railways,
Rail Bhavan,
New Delhi - 110001.

Sub: Mumbai - Chennai section deprived of New Super Fast trains for more than last 50 years.

Respected Sir,

In 2011-12 a proposal was sent to Railway Ministry by Central Railway Mumbai for a Super fast Duranto Express with 18 hour 30 minute run, since last 50 years traffic increased 200%, but no any super fast train between Mumbai to Chennai, where as other Metro cities, have plenty of super fast trains, and it was postponed for unknown reasons. Till now there is no any decision taken.

Railway passengers between Mumbai - Chennai travel by Airways, since railway did not solve their problems. There are only 3 ordinary express trains run for more than 50 years with 17 bogies including pantry car, RMS, Guard coaches.

So kindly introduce urgently a daily super fast train with 18 hours journey between Mumbai-Chennai since 90% of the section is double track.

Thanking you,

S. Annamalai

NEW-PROPOSAL OF CENTRAL RLY-MUMBAI ESTM FOR 2011-12 BUDGET BUT REJECTED BY RLY-MINISTER

PC3)

Introduction of new Bi-weekly Grand-Express Train between Mumbai Chennai

To fulfill the persistent demand from various Passenger Associations, to introduce a new train between Mumbai (Dadar) and Chennai

The proposal for DURONTO was agreed in the IRTTC 2009 held at Bangalore & also in the IRTTC 2010 held at Puri, but not announced in MR's Budget Speech 2009 and 2010.

2.1 Justification

During summer 2010, a Super fast Holiday special was run between Mumbai and Chennai and its occupation is above 100%. Also the utilization of existing trains running between Mumbai-Chennai is more than 100%.
